But more importantly, they focus on the child as an individual and not just as a player on a team. Each camp will include one special practice of goalie training.

We know what goes on out on the pitch, starts with what's going on inside you. You'll learn about the importance of what you eat and drink, like what fruit gives you the most energy. And best of all you get a healthy hot meal for lunch and drinks and healthy snacks throughout the day.

**We offer** lunch, sports drinks and healthy snacks between sessions. The program includes two t- shirts, one shorts and one pair of socks for each participant.
